

# Toad Hollow Vineyards

2004 Cabernet Sauvignon  
“Concinnity”

**Concinnity: A perfect blend—a beautiful marriage.**

What better way to describe this wonderful blend of grapes from the finest vineyards in Napa, Paso Robles and Lake County. This is the marriage of Cabernet Sauvignon with a touch of Petit Sirah, Syrah and Cabernet Franc.

A heritage of great varietals to compliment the grand center of the Cabernet Sauvignon grape.

A true Concinnity...

We here at Toad Hollow have balked at making a Cabernet Sauvignon for years since we don't personally grow the varietal and we could not find the quality of fruit that we would demand to make a premium wine at a reasonable price.

We have finally overcome that obstacle and are proud to introduce a great Cabernet Sauvignon at a more than reasonable price.

Although this is a limited production wine, we hope you will enjoy drinking it as much as we enjoy putting the blend (the marriage, if you will) together.

The Toad Marches Onward and Upward!
