

Toad Hollow Vineyards

2007 Chardonnay
UNOAKED
Francine's Selection
Mendocino County

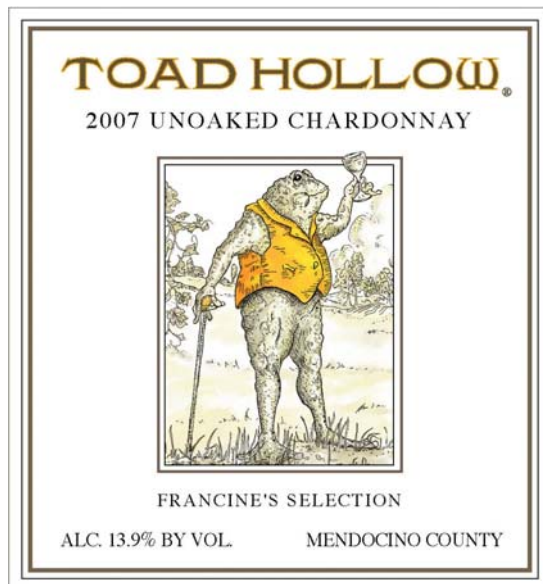

Our 2007 vintage continues the tradition of Toad Hollow Chardonnay. Can you believe that this is our 15th vintage of Chardonnay? We decided that this landmark vintage deserved a new look and a new label.

There is no wood of any kind in this wine! No chips. No sawdust. No planks.

Disclaimer:

No trees were harmed in the making of this bright,
clean, crisp and full-flavored Chardonnay.

This beautifully balanced Chardonnay has hints of mango, melon, mineral and incredible acidity. The nose is delicately perfumed with citrus and green apple. This Chardonnay is a treat for your senses with a mouth feel that is rich and creamy while still displaying crisp and clean flavors that we have come to expect from the Mendocino Chardonnay.
